

Google Customer Review Analysis Report

Honor Carpet Cleaning, Inc
4251 University Blvd S #301, Jacksonville FL 32216
(904) 484-6394

<http://honorcarpetcleaning.com>

Industry: Carpet Cleaning Service

1. About This Important Report

In today's digital landscape, Google Customer Reviews are the lifeblood of your carpet cleaning business. A staggering **93% of consumers** read online reviews before making a purchasing decision, and businesses with a 4+ star rating get **70% more inquiries** than competitors. For Honor Carpet Cleaning, optimizing your review strategy isn't just about reputation—it's about dominating local search results and filling your appointment book.

2. Honor Carpet Cleaning, Inc: Current Google Customer Reviews

Metric	Data	Status
Current Number of Google Reviews	90	Good
Google Star Rating	4.2	Needs Improvement
Last 30 Days: New Google Reviews	3	Needs Improvement

Top-performing carpet cleaners in your market average **15-20 new reviews monthly**—your current pace of 3 reviews puts you at risk of being outshined by competitors. Consistent weekly review generation:

- **Boosts local SEO rankings** by 15-20%
- **Increases click-through rates** by 35%
- **Converts 42% more leads** through social proof

>**Recommendation:** Implement **ProWeb's Easy Reviews** to automatically request reviews within 30 seconds of service completion—turning satisfied customers into your best marketers.

3. Honor Carpet Cleaning, Inc: Responding to Your Google Reviews

Metric	Data	Status
Currently Responding to Reviews?	Yes	Good
Response Rate	90%	Needs Improvement
Average Response Time	48 hours	Could Improve

While your 90% response rate is strong, **100% response rates generate 28% more bookings**. Every unanswered review is missed opportunity to:

- **Turn complaints into showcases** of your customer service
- **Multiply positive reviews** through engagement
- **Improve Google's "Local Service" ranking factors**

>**Recommendation: Response Pro's AI technology** guarantees 100% response rates while saving 5+ hours weekly on manual replies.
